**DETAILED ACTION**  
**EXAMINER'S AMENDMENT**

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows: In claim 5, line 1, "1" has been changed to --4--. In claim 9, line 7, "LEDs" has been changed to --LED--.

***Allowable Subject Matter***

The following is an examiner's statement of reasons for allowance: The prior art fails to disclose an LED driving device having, inter alia, "a duty ratio storage which is comprised of writable memory and stores therein, independently of the LED of each of colors, a duty ratio of a PWM signal to make a fine adjustment to luminance during an emission period 25 of the LED of each of colors; a PWM controller which forms the PWM signal based on the duty ratio stored in the duty ratio storage independently of the LED of each of colors; and a signal line connected to the duty ratio storage to input the duty ratio to the duty ratio storage" (claim 4); or a driving voltage setting device thereof having, inter alia, "a voltage applier that applies a variable voltage to the LED of each of colors, red, green and blue; a detector that detects a luminance of the LED of each of colors when the voltage applier applies the voltage; and a data writer that writes in the applied voltage storage a minimum applied voltage value of the LED of each of colors when the detector detects the luminance more than or equal to a desired value on the LED of each of colors, as an applied voltage value of the LED of each of said colors" (claim 9). The remaining claims 5, 6 and 10-12 are allowed by virtue of their dependencies from the independent claims. Hence, the examiner has allowed claims 4-6 and 9-12.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
